

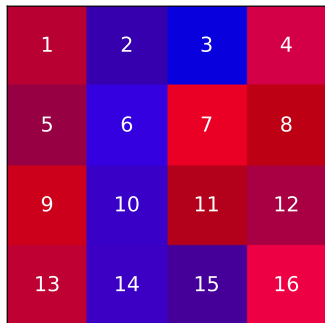

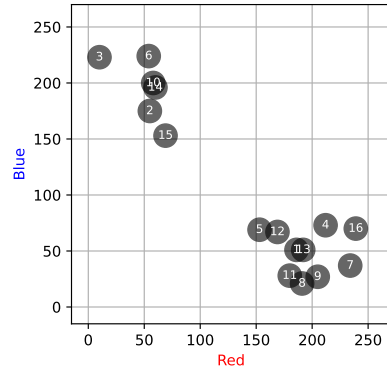

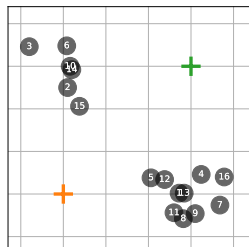

Image with bands red and blue.
Numbers are the pixel indices.

186	55	10	212
51	175	223	73
153	54	234	191
69	224	37	21
205	58	180	169
27	200	28	67
192	60	69	239
51	196	153	70

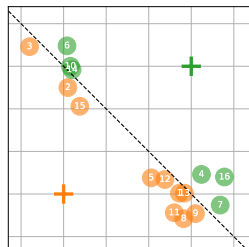

Intensities (red and blue)
of the pixels.

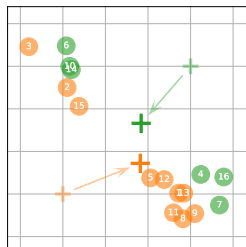

Pixels plotted in
the (red,blue) space.

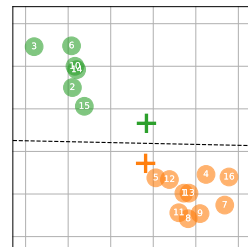

Initialization

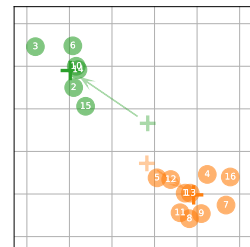

Iteration 1
Step A

Iteration 1
Step B

Iteration 2
Step A

Iteration 2
Step B

Progression of the K-means algorithm (only the initialization and the first two iterations are illustrated).
Centroids are represented by +, the dotted line indicates the boundary between the two classes.
